___ Check if no preference

Please return with completed Cooperative Agreement and payment.

The sex, age and class of horses provided to your organization will be at the sole discretion of the Department. We will make a reasonable effort to accommodate your specific requests, but your organization will not have the right to sort animals at the time you take receipt of the horses. All horses will be processed and checked by our State Veterinarian or his designee, and a health certificate for transportation will be provided.
